Dear Brother Youseff:

**Re: Jamaican Canadian Association Community Centre**

I am writing to follow up on our previous discussions regarding financial support from the CAW for our renovation project which started at the beginning of February.

To date our campaign has raised \$270,000. We are getting good support from the labour movement. The Coalition of Black Trade Unionists is the latest supporter. Last week they gave us \$1,000. I am also in contact with CUPE to get their support. The Labour Council of Metro Toronto is planning a fundraiser for us and the Carpenters will be giving us support in the form of volunteer labour.

I am counting on the CAW to provide some financial support. I can be contacted at 326-7358 or 540-8930.

In solidarity,

**Jamaican Canadian Association**
